

# Professional LGBTQ+ Training or Speaking Session to Elevate Your Conference Success

**SAGECare**, a leader in LGBTQ+ aging, offers dynamic speaking engagements and training for healthcare and elder care providers. We equip professionals, caregivers, and organizations with the tools to deliver person-centered, trauma-informed care and improve outcomes for LGBTQ+ older adults.

## Key Highlights of SAGECare's Speaking Engagements

- Presenting on LGBTQ+ Person-Centered Care
- Presenting on Diverse Populations
- Presenting on the Unique Needs of Trans Elders
- Presenting on LGBTQ+ Elders of Color & Elders Living w/HIV
- Presenting on Building Affirming Communities
- Presenting on how to Empower Caregivers & Organizations

## Customizable Presentations to Fit Your Needs

Every organization is unique, and SAGECare is committed to customizing our speaking engagements to fit the specific needs of your group. Whether you are an organization, community group, association, or caregiving facility, we'll tailor our presentations to ensure they're relevant and impactful for your audience.
