

# The LGBTQ+ Aging Experts

SAGECare is a leading LGBTQ+ aging cultural competency provider, offering training programs and strategic guidance to enhance the lives of LGBTQ+ older adults. Drawing on decades of experience as a leading educator, we create high-trust virtual spaces for action-oriented learning, putting service provision back in balance and encouraging increased empathy and awareness.

## Decades as an LGBTQ+ Aging Leader

Communicate with patients, residents, clients, caregivers, and other community members with sensitivity and compassion to become a more trusted service provider and employer. SAGECare has a deep understanding of equity, diversity, and the critical, unique needs and concerns of LGBTQ+ older adults from more than sixty years of advocacy.

## High-Trust Virtual Training Process

Learn how to better serve LGBTQ+ older adults through credentialed training programs. Discover real stories, engage with accessible content, and partake in valuable conversations via live webinars, recorded videos, and interactive discussions. All employees will leave with skills to better navigate professional and personal lives.

## Action-Oriented Learning & Support

Apply our teachings to power enterprise-wide improvement initiatives. Tap our advisors for personalized guidance on adopting best practices and beneficial strategies, policies, and furthering a culture of LGBTQ+ competency and inclusion in administration, services, programs, outreach, marketing, and more.

Founded in 2016, SAGECare stems from SAGE, an organization created in 1978 that stands as the world's oldest and largest nonprofit dedicated to improving the lives of LGBTQ+ older adults.

# Equity-Based. Trauma-Informed. Person-Directed.
